# ULTIMATE PROTOBOT

- ⓧ Protopobot is programmed to destroy, and he won't stop until he has complete control of the island! **Find out more about CP's super villain!**

Name: **Ultimate Protopobot 10,000**  
Age: **Generation 1 quad core**  
Hobbies: **Club Penguin domination**  
Earliest memory: **His first terabyte**  
Catchphrase: **"Prepare for destruction"**

ⓧ **Protopobot** has the cold, hard heart of a machine. And not a nice machine like a slushie maker. **A really evil one!**

This **mechanical monstrosity** was first created by Gary's Test Bots after they went haywire. He was assembled from bits and pieces around Club Penguin - you can probably recognise lots of them.

Unlike Herbert, Protopobot learns from his mistakes! He changes his tactics quickly to calculate the most effective attack. He is highly intelligent and able to regenerate after taking damage. This makes him the **most dangerous enemy** Club Penguin has ever faced. Yes, even more dangerous than a **glabook**.\*

## 4 WAYS TO PROTECT YOURSELF FROM PROTOBOT!

We don't know when or where Protobot could strike next, so best to be prepared...

**1**

**Build a Protobot-  
proof igloo!**

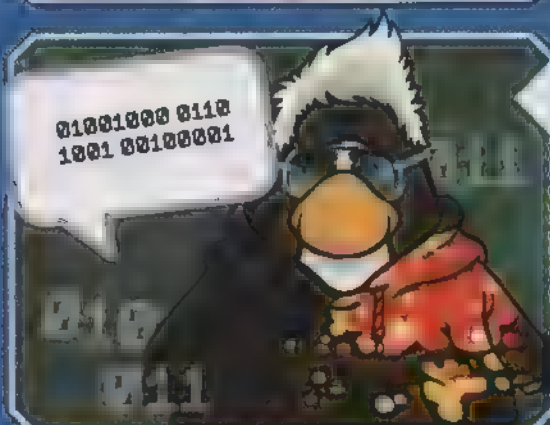

You'll need lasers,  
alarms, and security  
cameras.

**2**

**Disguise yourself  
as a robot.**

Then maybe he will leave  
you alone, right?

**3**

**Learn how to  
speak binary!**

Then you can politely  
ask Protobot not to  
attack you.

**4**

**If all that fails...**

Stowaway on the  
Migrator and run away  
to a far-off island!

**Tusk:** Very well. So, what will you know of the Master of Snow?

**CP Mag:** You and Sensei used to be best buddies. Will you ever shake flippers and make up? Sir? [gulp]

**Tusk:** Never. He... *betrayed* me. Buried me for eternity. But I grew strong.

# Rookiepedia

Where have U been? Welcome back to Rookie's alphabetical guide!

It's not me, it's u.

## U

is for...

### UK Hoodie

There are loads of hoodies on CP, but this one has a distinctive UK style. Plus you can unlock it for free by entering this code: FreeHood

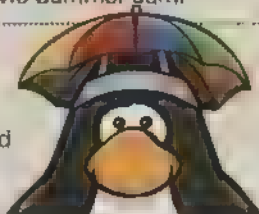

### Ukulele

The ukulele is a mini guitar with only four strings. Perfect if you've got small flippers. It was available during the Teen Beach Movie Summer Jam.

### Umbrella Hat

This hat is really useful in the rain because you can take it off and hold it like an umbrella. Or I guess you could just leave it on. Your choice.

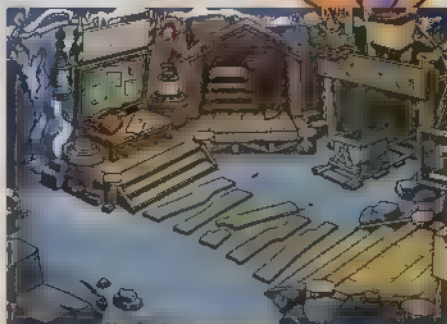

### Undercover Ops Suit

EPF agents wear this stealthy suit for dangerous missions into enemy territory, or to win a game of hide and seek.

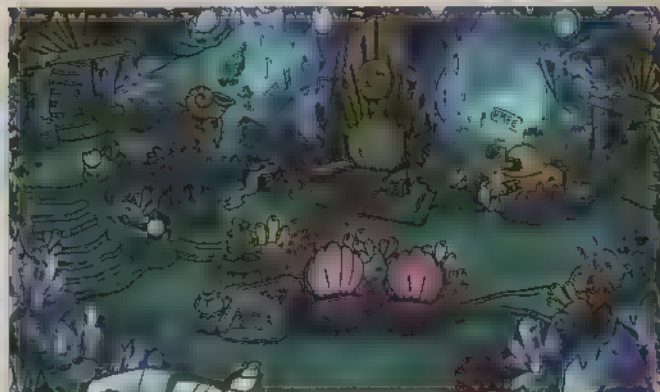

### Underground

Lots happens underground in Club Penguin, from racing on mine carts to digging up rare treasure. Maybe they should have called it Club Mole?

### Underwater

Loads of fun things happen underwater on CP. Ice Fishing, Aqua-Grabbing, giant squid dubstep parties. (I'm still waiting for my invitation, btw.)

### Unicorn Puffles

Penguins could transform into unicorn puffles by drinking a potion at the Medieval Party. Will we see them again? I hope so, their horns are really useful for storing donuts.

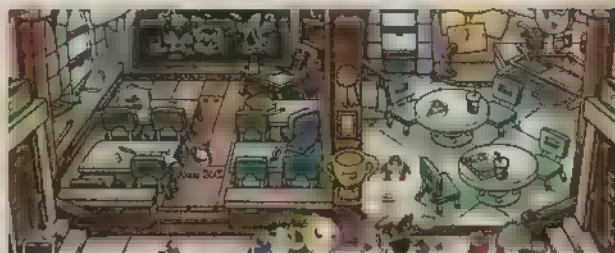

### Unicycle

Basically it's half a bicycle. Green puffles make it look easy, but they are really hard to ride. Trust me, I tried. Oh I made a poem!

### University

The school (sometimes called the university) is a place of learning, knowledge and paper throwing. But mostly paper throwing.
